

NS Locomotive Engineer Trip Rate Information

Brotherhood of Locomotive Engineers and Trainmen

A Division of the Rail Conference of the International Brotherhood of Teamsters

BLET Division 375 Local Chairman Monroe & President & Vice Local Chairman Stephen Link attended a meeting on January 17, 2007 with representatives from NS Labor Relations and the General Committee of Adjustment for the purpose of implementing trip rates on the Danville District of the Piedmont Division for locomotive engineers.

Trip Rates for engineers begin 2007/02/17 in these pools

Pool	Trip Rate	Flip Rate	Overtime after
CG / RC	262.85	376.76*	182 miles 11:12 - 260 miles 16:00
EC	Trip rates on hold		
LA	448.20	None	296 miles / 18:00 +
LB	227.65	None	155 miles / 9:32
LL	225.15	None	155 miles / 9:32

*Flip rate for CG/RC pools applies only to a "Hurt Turn"
